ABOUT US:

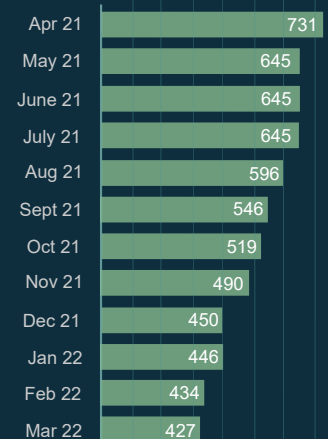

albertafindadoctor.ca was launched in April 2019 with the goal of making it quicker and easier for all Albertans to find a family doctor and team. It is a partnership between Alberta's Primary Care Networks and Alberta Health Services.

Statistics quoted are from April 1, 2021 to March 31, 2022. Data sources: Google analytics, patient surveys, website feedback. *Number of users who clicked for clinic contact data.
