

# CanREACH

## A SMALL INVESTMENT OF YOUR TIME COULD CHANGE A CHILD'S LIFETIME

CanREACH educates and empowers primary care providers to make and sustain evidence-based practice changes in pediatric mental health; transforming practices, increasing productivity, and improving work satisfaction.

CanREACH delivers the mini-fellowship Continuing Medical Education (CME) course, "PATIENT-CENTERED MENTAL HEALTH IN PEDIATRIC PRIMARY CARE PROGRAM (PPP)", developed by The REACH Institute, which consists of both:

- CONFERENCE:** A dynamic and interactive 2-day (15 hour) course that combines teaching with hands-on practice, followed by
- CLINICAL APPLICATION:** A series of 12 1-hour case based clinical consultation sessions, translating knowledge to practice
